Evergreen New Student Survey 2005

The Evergreen New Student Survey 2005 was administered to 100% of students new in Fall 2005. Out of 1,381 new students, 862 responded (62%). Both first-time, first-year students (417 out of 605 enrolled) and new transfer students (445 out of 776 enrolled) participated in the survey. A total of 58 of the students indicated that they planned to study primarily in the Tacoma Program.

Select from questions in the following list to view results from the survey. Results will open in PDF format in a separate window.

You can view the [2005 survey instrument](#) and [Survey Research Methodology](#) documentation. You can also view an [overview](#) of the analyses of new Tacoma student responses to the survey.

Please note that transfer student responses in the charts below include the responses of new Tacoma students who are transfer students. A breakout of the responses of transfer students who will be studying primarily on the Olympia campus is available upon request.
