

Computer Center

From computing

The Computer Center is the home for computing for every Evergreen student. It is also where one finds **Academic Computing** staff to help with curricular technology support needs. It houses four schedulable computing classrooms (Mac, PC and Linux), a cluster area, kiosks, laptop lounge, 3 specialty stations, and two assistive and adaptive technology stations. In total we have 3 printers, 108 PCs, 50 Macs, and 10 scanners.

Student consultants and professional staff are on-hand to assist with curriculum computing questions.

Location

We are located on the second floor of the library in Room 2606. To get there, enter the main entrance to the library from Red Square and look for signs for the Computer Center and Academic Computing directly across the large atrium.

If you're unfamiliar with campus, the campus map (<http://www.evergreen.edu/tour/map.htm>) will help you to find the library.

Hours of Operation

Summer Quarter

Sunday	12 Noon - 6 PM
Monday-Thursday	8 AM - 10 PM
Friday	8 AM - 6 PM
Saturday	9 AM - 6 PM

See a more detailed listing of Computer Center hours with holidays and summer hours

The Layout

The Computer Center houses four computing classrooms running Mac, Windows and Linux operating Systems. There is also a large computer commons area, e-mail/web kiosks, lounges throughout and 5 specialty workstations. These include two assistive and adaptive technology stations.

If you are interested in more specific details about our facilities or want to view the classroom schedules, check out our **detailed layout**.

Our Policies

- Legal Notice: Your responsibility as a user of the computer center and member of the Evergreen Community

- General Policies: All the general computer center policies under one roof
- Appropriate Use of IT Resources at Evergreen
(<http://www.evergreen.edu/policies/policy/appropriateuseofinformationtechnologyresources>) :
Campus-wide use policy

Key Contact Information
