Welcome to the Society of Professors of Education Home Page. This site provides information about the Society, its history, and current activities.

The Society's primary goal is to provide a forum for consideration of major issues, tasks, problems and challenges confronting professional educators. SPE is an interdisciplinary organization. Our members include both theoreticians and practitioners in education.

Visit the [The Library](#) to view the SPE Constitution and Bylaws, membership lists from the early 20th century, and other archival materials. Photographs and other visual materials can be found in [The Gallery](#).
