

Standard III Criteria B(3)

From teacheraccred

Description

Faculty are qualified and model best professional practices in scholarship, service, and teaching including the assessment of their own effectiveness as related to candidate performance.

Evidence

Evidence for this criterion is listed in the table below. Please click on the links to see the documents.

MIT FACULTY: Fall, 2002 – Fall, 2007

(Please note that Betsy Diffendal, Terry Ford, George Freeman, Jan Kido, Stephanie Kozick, and Sherry Walton taught in the program prior to 2002, the beginning point of this accreditation report. Please see faculty vitae for further information.)

One-hundred percent of MIT core faculty have a terminal degree. Visiting faculty and faculty who supervise student teachers may have Masters degrees or Ph.D.s. Faculty hired as visitors or as student teaching supervisors are retired public school teachers or administrators.

| Picture | Name | Title | Degrees | Public School Experience | MIT Cohorts |
