Campus Crime Statistics

In compliance with federal law, Uniform Crime Reporting Statistics as well as Clery Statistics, (which is the landmark federal law, originally known as the Campus Security Act, that requires colleges and universities across the United States to disclose information about crime on and around their campuses) are reported annually and can be viewed on the:

- *Police Services website*
- *Washington Association of Sheriffs & Police Chiefs*
- *Federal Office of Postsecondary Education*

The differences in the statistical data that you may see are due to the various federal and state reporting requirements which are mandated to include different classes of crimes and types of activities.
