

The Evergreen State College
Evergreen Student Experience Survey 2006
Responses of Students in the Tacoma Program

Utilization of Campus Resources

Students were asked how often they use certain campus resources. The resources below are listed in alphabetical order to facilitate locating particular services. Many of the campus resources are accessed primarily on the Olympia campus, which in some cases limits the amount of access that Tacoma respondents have to the resource. Tacoma respondents indicated that they used the following resources most frequently this year: Evergreen's website to get information (76.3% reporting using it "Some" or "A Lot"); library digital online resources (44.8% reported using "Some" or "A Lot"); the Computer Center, Computer Applications Lab, or computer workshops (62.1% reported using "Some" or "A Lot"), and the Financial Aid Office (48.6% reported contacting "Some" or "A Lot" for information or assistance.)
